To all CUS-EAU Members

Date: January 2013  
**Subject: CUS-EAU Membership**

Dear colleague, dear friend,

Recently you have been informed about the fact that the membership agreement between the Czech Urological Society and the European Association of Urology (EAU) will - unfortunately - end. In the current economic climate this was an inevitable decision but nevertheless a difficult decision to make for the Czech Urological Society.

Practically this means that as of April 2013, you are no longer registered as EAU member.

We do, of course, want to offer all CUS members the opportunity to register as EAU individual members. EAU individual membership allows you to benefit from all EAU has to offer such as our EAU publications:

- European Urology
- European Urology Today
- European Urology Supplements
- European Urology DVD Journal
- EAU Guidelines
- EAU Pocket Guidelines
- EAU History book

But also:

- EAU Id Card for automatic registration of EU-ACME credit points

**Milan 2013**

28th Annual EAU Congress, 15-19 March 2013  
www.eaumilan2013.org

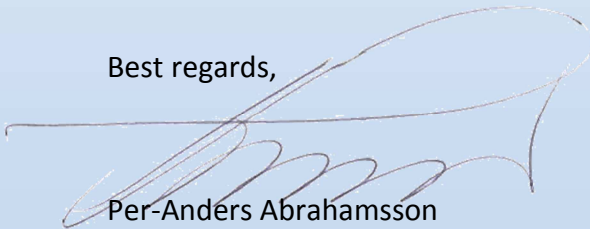

- Member discounts on EAU products and services (for example reduced registration fee for EAU members for our meetings)
- Access to the European Urological Scholarship Programme
- Grant and award eligibility
- Access to membership area on Uroweb

If you want keep benefitting from what EAU has to offer please send an e-mail to [membership@uroweb.org](mailto:membership@uroweb.org): our Membership team is ready to extend your individual membership. Urologists will pay €90 until December (€120 for the full year) and Residents pay €37,50 until the end of this year (€50).

I hope to have informed you sufficiently, however, if you have any further questions please do not hesitate to contact us. You can reach us at [membership@uroweb.org](mailto:membership@uroweb.org).

We look forward to keep welcoming you as a member!

Best regards,
